

Hello, Members and Patrons of the Gogebic Country Club!

Summer weather is finally here and golf activities are in full swing at the course. Here is what's happening in June at the Club:

### **Tournaments:**

There will be two great tournaments at the course this month.

- First, on Saturday, June 18th, the Ironwood / Hurley Rotary Club Golf Tournament will be held. The format is a 4-person scramble with multiple divisions. Shotgun start at 1:00 pm. The entry fee is \$40/person.

- Second, on Saturday, June 25th, the Polar Bear Hockey Golf Tournament will be held. The format is a 4-person scramble. Shotgun start at 10:00 am. Entry fee is \$45/person.

Both tournaments are open to the public and support great causes. For all the details about these events and how to register, go to the GCC Tournaments page here:

<https://www.golfgogebic.com/tournaments>

### **2022 Membership Cards:**

The 2022 GCC Membership Cards have been printed and are available in the pro shop. This year, to celebrate 100 years of golf at GCC, the membership card design is a replica of original membership cards that were designed by the Club way back in the 1920s. The old-time cards featured a great original logo for the Club. You can view an image of one of the original old cards on the GCC History page here:

<https://www.golfgogebic.com/history>

### **Merchandise:**

GCC Logo sweatshirts, hoodies, and hats are now available in the pro shop. Polos will be arriving soon. Continuing with the Club's Centennial celebration theme, the logo on the clothing is a version of the original, old Club logo. This logo will only be used in 2022, so swing by the pro shop and grab something today!

### **Scorecards:**

New scorecards are now available in the pro shop. The new cards feature the addition of the Gold tees, as well as the new Green / White and Red / Green combination tees. If you are interested in how to play the new combination tees or the purpose and history of how these new tees came to be, there is an article about them posted on the GCC Course page here:

## **Centennial Celebration Gala**

This year the Gogebic Country Club is officially celebrating 100 years of great golf in our community! The celebration will feature an all-day Centennial Celebration Gala that will be held on Sunday, July 31st. There will be a golf tournament, meals, great prizes, and much more. Posters with event information have been posted around the course and you can find more information on the GCC [Tournaments](#) page. More information will be posted and emailed in the coming weeks as well. So, save the date and come celebrate a century of Gogebic golfing tradition!

Thank you all for a great start to the season, and see you on the course!
